		Spreadshirt	Omnishirt	Shirtinator
20x (50% Sponsored)	T-Shirt + Swatshirt	883,80	428,4	749,8
	T-Shirt + Hoodie	653,3	464,4	659,8
40x (25% Sponsored)	T-Shirt + Swatshirt	816,3	380,8	749,8
	T-Shirt + Hoodie	544,3	412,8	659,8

Vote: dependent on whether studentbody decides on hoodies or sweatshirts:

- i. Hoodies: spraedshirt (4 yes), omnishirt (0 yes) shirtinator (0 yes) ,
abstinations: 0

Reasoning: Well-established quality, prior positive experience with their products, and their hoodies are made entirely from bio-cotton, generally price-performance ratio fits. Generally Shirtinator falls short also because of their limited colour viarity.

- ii. Sweatshirt: spreadshirt (0 yes), omnishirt (3 yes), shirtinator (1 yes),
abstinations: 0

Reasons: Cost-effective alternative to more expensive options for Sweatshirtss, that can't be justified by price-performance ratio for the more expencive options, bcause their prising is to high i terms of Sweatshirtss. Generally Shirtinator falls short also because of their limited colour viarity.

2. Sticker:

- a. <https://www.bizay.de/> → sehr günstig, aber sehr schlechter Designer Modus, in dem man basically das fertige Design sehr hoch aufgelöst hochladen muss (aber 500 Sticker für ca. 15 Euro)
- b. <https://www.button-king.de/> → sieht nach sehr guter Qualität und easy Design Modus aus, aber relativ teuer (500 Sticker für 60€)
- c. <https://aufkleberdrucker24.de/> → 500 Sticker für 65€, sehr viele verschiedene Auswahl Optionen → anscheinend kein online Design möglich (→ blöd!)
- d. <https://www.onlineprinters.de/> → auch relativ günstig (500 für 16.26€), aber man muss auch ein fertiges Design hochladen und kann online nicht weiter Dinge verändern
- e. Vote for which website to use:
 - i. Who is in favor of choosing a low buget website, namely either bizay or onlineprinters, with the power to choose between them lying with the person uploading the designs, to be able to work with the website that will be more userfriendly.
 - ii. 4 yes, 0 no, 0 abstinations

3. Todos:

- a. Franzi- Sticker designs finalizing, and ordering
- b. Joy - student body votes 1. Hoodie vs Sweatshirt; 2. Color selection
- c. Joy uploads designs to hoodies / shweatshirts / t-shirts

4. Procedure for ordering of Shirts / Sweaters / Hoodies

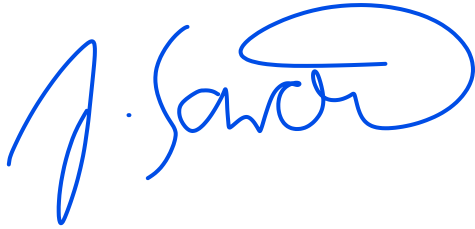

- people order shirts / sweaters / hoodies via FSR mail address
- we check how many orders we received and how much of the price we can sponsor (between 25-50%)
- we then communicate with Asta and people pay the costs they have to cover themselves to Asta to finish their order
- we order the shirts / sweaters / hoodies together with Asta who then pays 100% of the price (after receiving the money from the students)
