## 2024 Public Call for PhD Scholarship Applications

**Call: January 17 - March 3, 2024**

Based on the Brandenburg Higher Education Laws and the Postgraduate Scholarship Committee regulations, the following PhD scholarships will be offered:

**PhD Scholarships** (for a period of up to 36 months) and

**Completion Scholarships** (up to 6 months, to complete the PhD).

The call is subject to budgetary constraints. The monthly stipend amounts to 1,500 € (without family allowance). Part-time scholarships are possible only in exceptional cases; see the "Ausführungsbestimmungen" (§ 2 Abs.2). Scholarships will not start before May, 2024.

The University of Potsdam wants to ensure equal opportunities in the promotion of young researchers. PhD students with disabilities will receive necessary compensation and will be given preference if qualifications are the same. We are eager to increase the proportion of women scholars and encourage women with the appropriate qualifications to apply. The call for applications is subject to budget considerations.

For more information on the application, see the Potsdam Graduate School website:

<https://www.uni-potsdam.de/en/pogs/support/phd-scholarships>

Please send your complete application with all necessary certificates and documentation **in a single pdf-document by e-mail** to: **nadine.mohaupt@uni-potsdam.de**

Please address your application as following:

Universität Potsdam, Geschäftsstelle der Vergabekommission für die Graduiertenförderung, Frau Nadine Mohaupt, Am Neuen Palais 10, 14469 Potsdam.

**The deadline is March 3, 2024.**
